

Hello to 2009 Chocolate Festival Vendors

Better late than never! I am enclosing vendor information, a map of booth spaces and a registration form. As a 2009 vendor you will get an opportunity to sign up for the festival before we make this opportunity public. Public notice of booth space availability will not be made until July 23. Please return your form to the Jensen Center along with payment by that date to secure booth space. Booths will be assigned on a first come first serve basis.

Please note: The only booths that can provide electricity are 1-7 and 14-19.

New policies for 2010

The new festival hours are 9am – 3pm

Only vendors with handmade items will be allowed.

We will limit the number of jewelry vendors to 6.
